No Discrimination “**NATIONAL FOOTBALL LEAGUE, COLLECTIVE BARGAIN AGREEMENT** by not allowing me to play the game (**LIBERTY**) I trained for all my life and mysteriously taken away from me not because of my play on the field but because I excised my freedom of speech rights.

54. **Whereas,** I began to see that what was done to me was being done to Colin Kaepernick (**racial inequality and the oppression of Black people**) which we both were ostracize and violated by these organizations, associations, corporations (LISTED ABOVE) for excising our rights protected by “**COMMON LAW**” 1789 United States Constitution 1st and 4th Amendment, 1865 Florida Constitution and All 50 plus states Bills and Declaration Of Rights, Rights of a

Victim Civil Rights Act of 1866 Section 1-10, **CONSPIRACY AGAINST RIGHTS** June 25, 1948, ch. 645, 62 Stat. 696, Pub. L. 100-690, title VII, § 7019 and other rights liberties that these organizations sworn to obey see **ARTICLE 49 PLAYER SECURITY Section 1. No Discrimination “NATIONAL FOOTBALL LEAGUE, COLLECTIVE BARGAIN AGREEMENT.**

55. I, Junior Galette have also been blackball (BLACKLISTED) just like Colin Kaepernick and put on the blacklist BY THE NFL OWNERS which is why all the teams did the exact same thing to me when I passed all the drills, conditioning and physicals. (SEE AFFIDAVIT SIGNED BY Drew Rosenhaus EXHIBIT P and Martin Fischman EXHIBIT R)

56. If I, Junior Galette didn't speak out about the discrimination being done against me by the Washington Redskins (NOW THE WASHINGTON COMMANDERS) I, would still be in the NFL but because I spoke (**ARTICLE 1 DECLARATION OF RIGHTS SECTION 4 FLORIDA CONSTITUTION AND ARTICLE 1. BILL OF RIGHTS VIRGINIA CONSTITUTION**) out the Washington Commanders and NFL chose to violate all my rights protected by “COMMON LAW” **1789 United States Constitution 1st and 4th Amendment, 1865 Florida Constitution and All 50 plus states Bills and Declaration Of Rights, Rights of a Victim Civil Rights Act of 1866 Section 1-10, CONSPIRACY AGAINST RIGHTS**” June 25, 1948, ch. 645, 62 Stat. 696, Pub. L. 90-284, title I, § 103(b), **DEPRIVATION OF RIGHT UNDER COLOR OF LAW** Apr. 11, 1968, 82 Stat. 75; Pub. L. 100-690, title VII, § 7019 and **ARTICLE 49 PLAYER SECURITY Section 1. No Discrimination “NATIONAL FOOTBALL LEAGUE, COLLECTIVE BARGAIN AGREEMENT** which constituted

BREACH OF TRUST, TRESPASS AND MALADMINISTRATION by the NFL (all defendants).

57. This **racial inequality and the oppression of Black people must stop**, this have cost me my entire football career, I haven't been able to play the game I love since this discrimination was done against my rights (**tortious interference**) to **freedom of speech** (ARTICLE 1 DECLARATION OF RIGHTS SECTION 4 FLORIDA CONSTITUTION AND ARTICLE 1. BILL OF RIGHTS VIRGINIA CONSTITUTION) was violation.

58. **Whereas**, Peter Schaffer an agent for the NFL said (**CONSPIRED**) to me "**YOU WILL NEVER PLAY IN THE NFL AGAIN BECAUSE I DON'T LISTEN**" which actually transpired, out of all the teammates, coaches and sport agents he is the only one that said something negative about me that is 100% false I do listen no one outside of Peter Schaffer ever said something even close to what Peter Schaffer said about me totally false. SEE EXHIBIT HH

MAXIM: Agreements give the law to the contract.

61. **Whereas**, in accordance to "COMMON LAW" **1789 United States Constitution 1st and 4th Amendment, 1865 Florida Constitution, All 50 plus states Bills and Declaration Of Rights, Rights of a Victim Civil Rights Act of 1866 Section 1-2, CONSPIRACY AGAINST RIGHTS** June 25, 1948, ch. 645, 62 Stat. 696, Pub. discrimination was shown by awarding him a near max contract and not considering me as a equal or better base on stats and productivity alone. (SEE EXHIBIT.....)

common law, rather than statutory, equitable, or civil law. I seek relief below base upon defendant's **BAD FAITH, NEGLIGENCE, BREACH OF TRUST,** **MALADMINISTRATION, UNCLEAN HANDS AND TORTIOUS INTERFERENCE** done against my professional football career, whereas I can't get that time back nor the endless possibility of appearing and playing in super bowls, pro bowls apparel endorsements breaking all sack records among other individual and team records being considered as the best team mate and player at my position and my and ultimately be inducted into the **NFL HALL OF FAME** which was taken from me by these organization when they decided to conspire (**CONSPIRACY AGAINST RIGHTS** June 25, 1948, ch. 645, 62 Stat. 696, Pub. Trent Murphy

<https://billswire.usatoday.com/lists/buffalo-bills-free-agency-trent-murphy-sean-mcdermott/>

Murphy came to Buffalo in the 2018 offseason, signing a three-year, \$22.5 million contract. It seemed that the writing was on the wall when Buffalo brought in several new players to the defensive line a year ago.

The Addison signing would not have been needed if Murphy could return to his 2016 form, one in which he registered a career-best nine sacks. With Addison and Jerry Hughes commanding cap hits of around \$10 million each, there's little need to have a rotational defender such as Murphy who could make somewhere near that total for the Bills.

Plus, a player whose cap hit is \$9.775 million should be written into the lineup with a sharpie for the playoffs. That was not the case for Murphy. With cap concerns ahead of the 2021 season, it seems very likely that Murphy will be heading out of Orchard Park.

Galette has recorded just 1 fewer pressure than Preston Smith has this season, despite the fact Smith has played on 288 more total snaps and 95 more pass-rushing snaps than he has.

Galette tied Kerrigan with a team-high 81.0 PFF grade.

In his debut last Sunday, Junior Galette only rushed the passer 11 times, but still generated 4 pressures, each vs. a different lineman

10:13

• pff.com

Junior Galette may be the most intriguing option out there. Just 29 years old, he came back to play in 2017 after back-to-back Achilles injuries. One of those can derail an NFL career, particularly for an edge rusher, and to suffer two back-to-back seemed like it would surely be the end of him, but in his first action back he was extremely productive. Overall, he notched 37 total pressures, even if only three of them were sacks. His PFF pass-rushing grade was 83.4, which was good enough to rank 23rd in the league, and to do that in your first action after back-to-back Achilles injuries is very impressive.

With another year removed from those problems, and still under 30, Galette could be the dark horse among this group for legitimate edge production in 2018 and beyond.

DECLARATION

I, **Drew Rosenhaus**, hereby certify that the factual statements set forth in this Declaration are true and correct to the best of my knowledge, and are as follows:

1. One of Junior Galette's best NFL seasons was in 2017.
2. Galette was one of the most effective pass rushers in the NFL and absolutely deserved to sign a multimillion-dollar, multiyear contract with significant guaranteed money.
3. I was really disappointed that we did not have that opportunity.
4. The market was very low for Galette.
5. It was really one of the most disappointing experiences I've had with a free agent player.

Toughest pass rusher he has faced

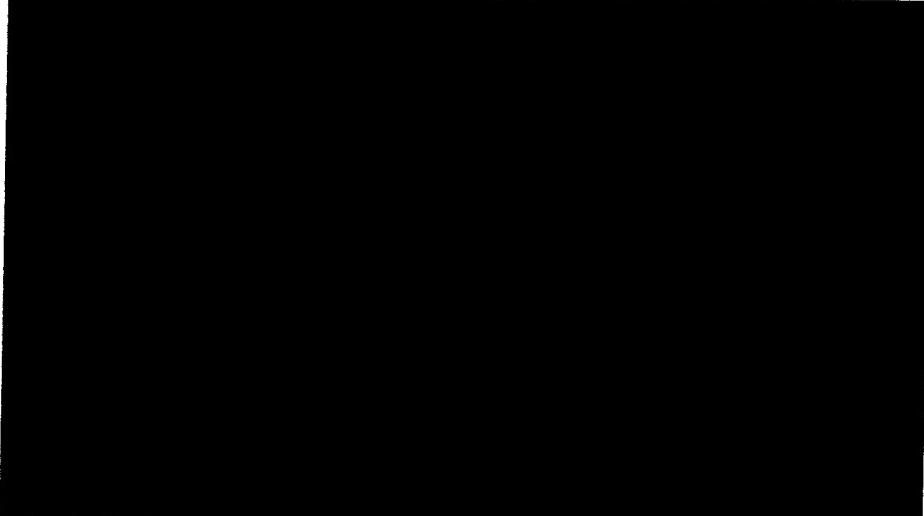

Bob Donnan-USA TODAY Sports

Beachum didn't name a current player or a guy he faced last season. He named Junior Galette when he was with the Saints in 2014. That year, he had 10 sacks and also had two safeties.

EXHIBIT U

"Junior doesn't know how good he can be," Jordan said. "He's had to fight for everything, and now he's shining the light. I don't know if he has a ceiling, but he hasn't found it yet."

"He's amazing on the field," defensive tackle Brodrick Bunkley said. "You'll never meet a harder worker or a more dedicated player. He fires everybody else up. Everybody hears the talk. But he walks the walk. He's a great teammate. I'll go to war with that guy."

On a defense that boasts no starters from the Super Bowl team of 2019, Galette actually is viewed as a mentor for some of the younger players even though last season was his first in a starting role.

EXHIBIT V

Strief said Galette's unconventional approach makes him unpredictable.

Which makes him, "an absolute pain" to deal with **on the practice field**.

"I think it is complete free-flow. So it's very hard to have a plan against him," Strief said.

"I'm a big game-plan guy. I like to have an idea of what I'm gonna see and have a way to stop what I think the guy is good at. I couldn't tell you what you take away from him. I mean, he takes one giant step up the field, he takes three lateral steps and then picks one of three moves. And I really think he makes it up on the fly."

"I'm very glad he's on our team, because I don't like blocking him particularly. I think he's made a lot of very good tackles look uncomfortable."

In other words, **rookie left tackle** **might have a hard time getting settled in his NFL debut on Sunday.**

What's made the biggest difference in Galette's career, according to Strief, is the way the Saints have embraced that unconventional approach.

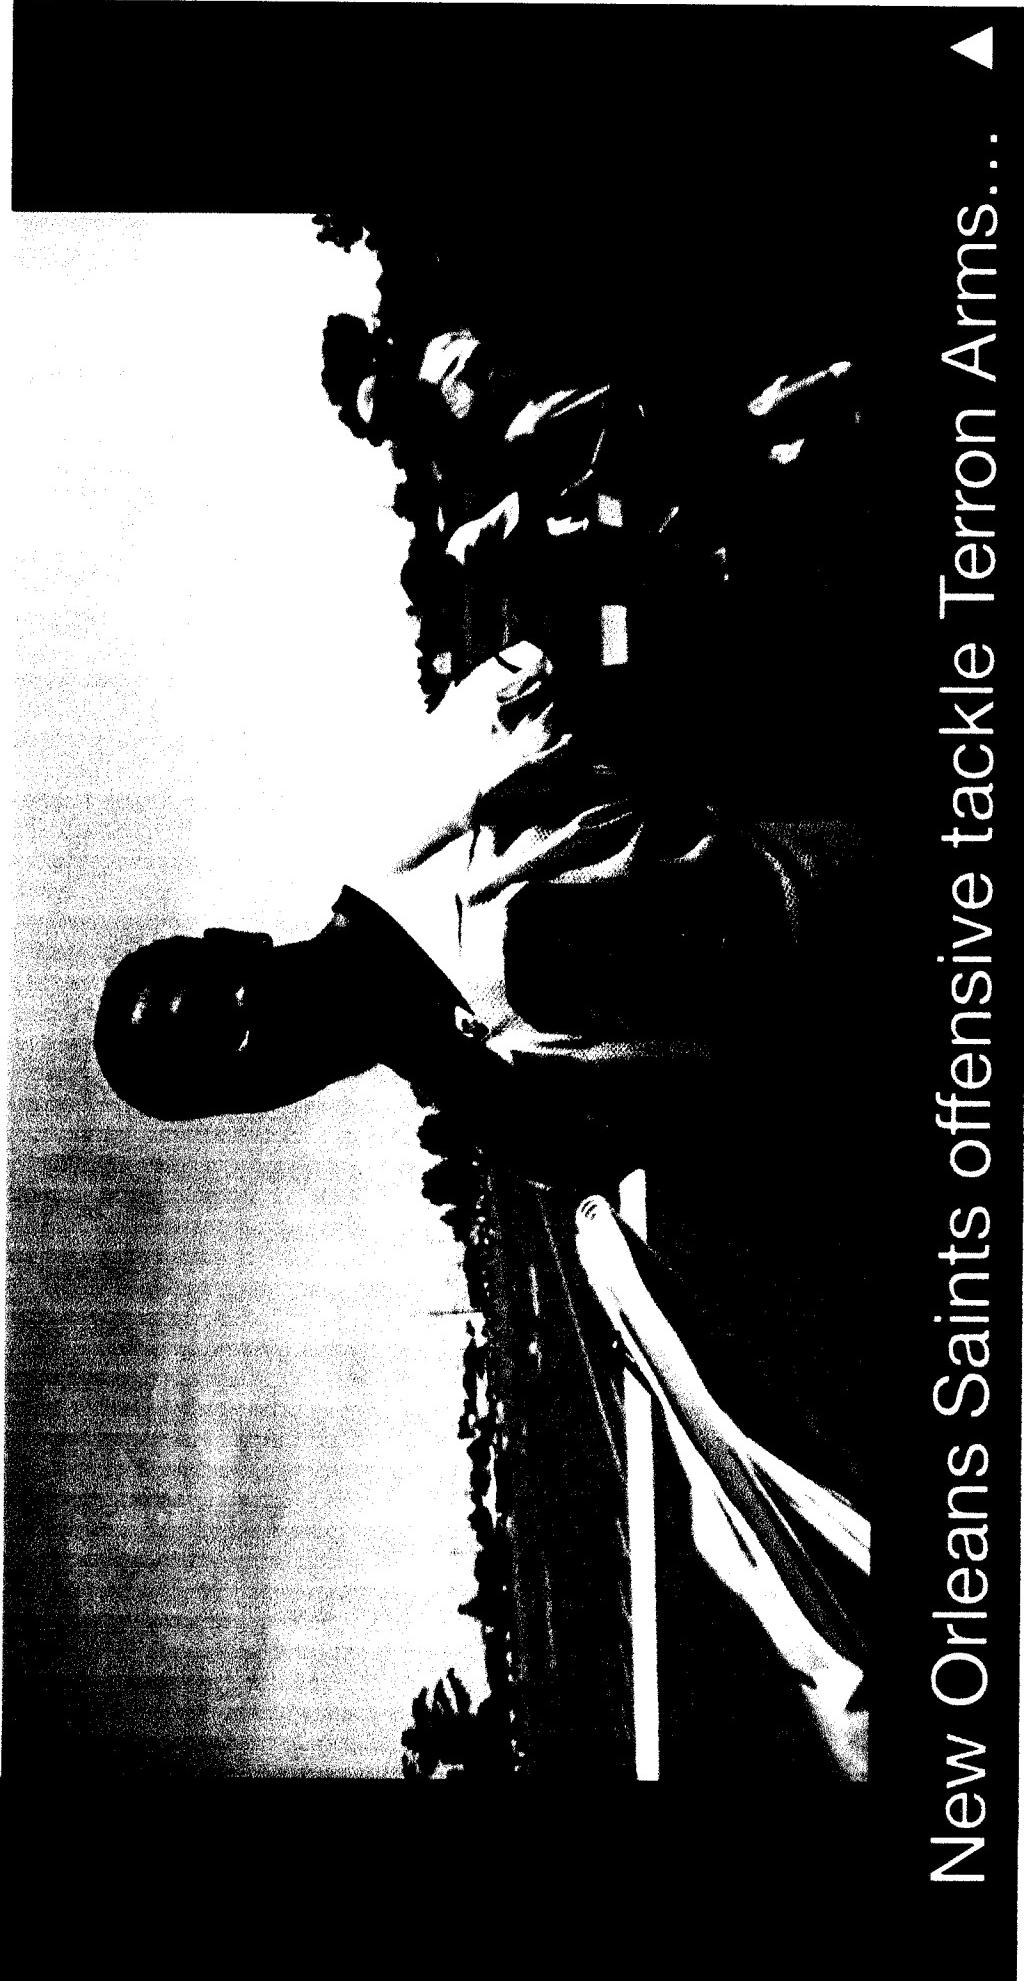

"I think it is complete free-flow. So it's very hard to have a plan against him," Strief said. "I'm a big game-plan guy. I like to have an idea of what I'm gonna see and have a way to stop what I think the guy is good at. I couldn't tell you what you take away from him. What Junior Brings to the Defense

Galette provides one key attribute that the other Redskins outside linebackers do not, that's his ability to get low when bending the edge.

Redskins Pro Bowl Left Tackle Trent Williams went on record stating, he'd never seen a pass rusher with Galette's strength get so low to the ground when rushing off the edge. Often times Galette would be on a LT's outside shoulder at the snap of the ball, before they even knew what hit him! On the other hand, the soon to be thirty year old Galette has only played in 16 games over the last three years. Although he only registered 3 sacks in 2017, he was ranked among the Top 15 2017 pass rushers in the NFL for QB pressures. He was even rated higher the Preston Smith.

EXHIBIT Y

When I asked for some of his other favorites, Galette said, "I have every. Any one you can think of."

Defensive coordinator Rob Ryan said, "He's got more variety than probably any rusher in the league." And when asked if all the different things Galette tries out can be hit and miss, Ryan said, "I think with Junior, it's a lot of hit and hit."

In the second half of the 2017 season, **Junior Galette** was the **Redskins** best pass rusher. Sure, **Ryan Kerrigan** may have garnered most of the attention and sacks, but it was Galette's speed and relentless motor off the edge that kept opposing quarterbacks looking out the corner of their eye.

redskinstoday Bleacherreport recently released an article ranking their top 40 3-4 Outside Linebackers from the 2017 season, and 3 Redskins cracked the top 25 :

@sackmanlives at #22 : "Junior Galette is as good as a third pass-rushing option can get. He is a tad short for a typical edge rusher at 6'2, but he compensates with a speedy get-off and nimble footwork. With the amount of ground he covers off the snap, Galette forces offensive tackles into space and can manipulate them from there. Washington has an abundance of riches to have someone such as Galette as a bench pass-rusher."

JUNIOR GALETTE

Grade wise, there was hardly any difference between Galette's play this past season and that which earned him a 4-year, \$41.5 million extension back in 2014. Even after back-to-back seasons lost with Achilles tears, Galette still had the juice he became known for in New Orleans. The issue is that it came only 407 snaps as a designated pass-rusher and not the 800-plus snaps a full-time edge setter would get, which is what he was in his prime. He still earned an 83.4 pass-rushing grade on those limited snaps and a majority of that work against left tackles. With a thin pass-rushing crop in free agency, Galette might be the best value available.

FANSIDE

In those snaps Galette played that season, he received a Pro Football Focus pass rushing grade of 85.2. That was good for 12th in the league with players with over 250 snaps. He also racked up an outrageous number of pressures at 37.

FANSIDE

Junior Galette's ability compared to Preston Smith, Ryan Anderson

Galette had what some would consider a breakout season in 2017 (considering his snap count, that is). He could very well be an upgrade for the team if his form is still there.

Galette only had three sacks in 2017, but Preston only had four last season on twice the snaps. Galette received just over 400 snaps in 2017. That's approximately half the snaps of a full-time rushing linebacker, but he showed no signs of being limited to that amount of playing time.

Sec. 2. And be it further enacted, That any person who, under color of any law, statute, ordinance, regulation, or custom, shall subject, or cause to be subjected, any inhabitant of any State or

Territory to the deprivation of any right secured or protected by this act, or to different punishment, pains, or penalties on account of such person having at any time been held in a condition of slavery or involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, or by reason of his color or race, than is prescribed for the punishment of white persons, shall be deemed guilty of a misdemeanor, and, on conviction, shall be punished by fine not exceeding one thousand dollars, or imprisonment not exceeding one year, or both, in the discretion of the court.

And the better to enable the said commissioners to execute their duties faithfully and efficiently, in conformity with the Constitution of the United States and the requirements of this act, they are hereby authorized and empowered, within their counties respectively, to appoint, in writing, under their hands, any one or more suitable persons, from time to time, to execute all such warrants and other process as may be issued by them in the lawful performance of their respective duties; and the persons so appointed to execute any warrant or process as aforesaid shall have authority to summon and call to their aid the bystanders or posse comitatus of the proper county, or such portion of the land or naval forces of the United States, or of the militia, as may be necessary to the performance of the duty with which they are charged, and to insure a faithful observance of the clause of the Constitution which prohibits slavery, in conformity with the provisions of this act; and said warrants shall run and be executed by said officers anywhere in the State or Territory within which they are issued.

The person or persons authorized to execute the process to be issued by such commissioners for the arrest of offenders against the provisions of this act shall be entitled to a fee of five dollars for each person he or they may arrest and take before any such commissioner as aforesaid, with such other fees as may be deemed reasonable by such commissioner for such other additional services as may be necessarily performed by him or them, such as attending at the examination, keeping the prisoner in custody, and providing him with food and lodging during his detention, and until the final determination of such commissioner, and in general for performing such other duties as may be required in the premises; such fees to be made up in conformity with the fees usually charged by the officers of the courts of justice within the proper district or county, as near as may be practicable, and paid out of the Treasury of the United States on the certificate of the judge of the district within which the arrest is made, and to be recoverable from the defendant as part of the judgment in case of conviction.

Sec.10. And be it further enacted, And be it further enacted, That upon all questions of law arising in any cause under the provisions of this act a final appeal may be taken to the Supreme Court of the United States.

Please take notice that there would be evidence of conflict of interest where it was shown that a National Football League, Management Council, Club and NFLPA received a benefit, for failing to protect the rights of one of Junior Galette.

The fact that your agency National Football League, Management Council, Club and NFLPA process persists over the period of time required for it to receive demonstrates at least the appearance of a conflict of interest for not providing justice without delay which is an overt Conflict of Interest.

Your continued service requires you to support, obey all states and federal Constitutions (see charter), without delay. The Constitution is the supreme law of the land (constitution and 1866 CIVIL RIGHTS ACT) whereas National Football League, Management Council, Club and NFLPA don't have the authorize to trespass on my rights protected by those constitution and acts 1866 CIVIL RIGHTS ACT.

Please review your contractual prohibitions (**ARTICLE 49 PLAYER SECURITY**) meant to protect me (Junior Galette) from intrusion by National Football League, Management Council, Club and NFLPA from relieving particular contractual obligations. It would be the equivalent of slavery or involuntary servitude to relieve particular class of persons called "National Football League, Management Council, Club and NFLPA" of their contractual obligations at the expense of the Junior Galette.

Please take notice that this Affiant and another (Former and Present National Football League Players and Staff) are ready, willing and able to testify to the same overt breach.

Please take notice that this case will not be heard by Legislative Tribunal but rather a Grand Jury in accordance to all constitutions (bills and declarations of rights) listed and act stated above.

Please take further notice this document is a Contract. If you fail to account for and settle this matter, then you agree that you are knowingly aiding and abetting in **MALADMINISTRATION**.

Furthermore, if you believe you have authority to ignore my rights protected by constitutions and acts states above then respond with proof of those authority, by Affidavit, sworn to under penalty of perjury, within 30 days or you agreed \$5000 per day for every day that you shall not have settled this matter at cost listed below:

I am demanding National Football League, Management Council, Club and NFLPA to pay (**ORDER TO JUNIOR GALETTE**) **compensatory damages** VIOLATION OF MY RIGHTS PROTECTED BY constitutions and acts states above in the amount of \$100,000,000.00.

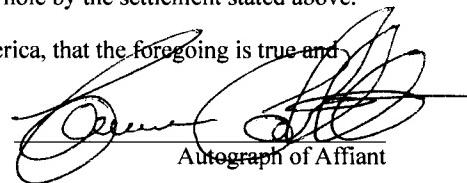

PUNITIVE DAMAGES AND TREBLE DAMAGES to be awarded to Junior Galette in the amount of \$100,000,000.00 times 3 (total 300,000,000.00) for breach of contract **ARTICLE 49 PLAYER SECURITY SECTION 1. No Discrimination "NATIONAL FOOTBALL LEAGUE, COLLECTIVE BARGAIN AGREEMENT"**, whereas I Junior Galette currently suffered from the following as of result of National Football League, Management Council, Club and NFLPA **MALADMINISTRATION** (**trespass "breach of trust" upon my rights protected by but not limited to all constitutions and act listed in this affidavit by notice**):

pain and suffering, harassment, emotional distress "**tortious interference**", unjustified grief, fright, unconsciousness, nervousness, grief, anxiety, worry, mortification, shock, public and private humiliation, indignity, embarrassment, apprehension, terror, disfigurement and deformity, impairment of ability to work, mental and physical stress, unimaginable extreme loss of life, liberties and pursuit to happiness and emotional distress.

Furthermore, Affiant reserves the right to take this Contract before any Grand Jury (in accordance to all constitution's "BILL AND DECLARATION OF RIGHTS" and act stated above) and you agree to be bound by the terms of this Contract. Your failure to respond by the agreed time, shall bind you by any Grand Jury "of my peers" Award and all courts, barred from rehearing this matter, must accept the law of this Contract. Courts of equity will not tolerate any interference with their officers, process or decrees, by the court of law.

Whereas, the National Football League, Management Council, Club and NFLPA have violated **my life, liberties and pursuit to happiness** by taken away my ability (**tortious interference**) to provide for my children and myself, the National Football League, Management Council, Club and NFLPA have taken away time, life, liberties and happiness on the field and I can never get back therefore I ought to be made whole by the settlement stated above.

I declare, under penalty of perjury, under the laws of the United States of America, that the foregoing is true and correct. Respectfully submitted, January 19, 2022.

Sec.10. And be it further enacted, And be it further enacted, That upon all questions of law arising in any cause under the provisions of this act a final appeal may be taken to the Supreme Court of the United States.

Please take notice that there would be evidence of conflict of interest where it was shown that a National Football League, Management Council, Club and NFLPA received a benefit, for failing to protect the rights of one of Junior Galette.

The fact that your agency National Football League, Management Council, Club and NFLPA process persists over the period of time required for it to receive demonstrates at least the appearance of a conflict of interest for not providing justice without delay which is an overt Conflict of Interest.

Your continued service requires you to support, obey all states and federal Constitutions (see charter), without delay. The Constitution is the supreme law of the land (constitution and 1866 CIVIL RIGHTS ACT) whereas National Football League, Management Council, Club and NFLPA don't have the authorize to trespass on my rights protected by those constitution and acts 1866 CIVIL RIGHTS ACT.

Please review your contractual prohibitions (**ARTICLE 49 PLAYER SECURITY**) meant to protect me (Junior Galette) from intrusion by National Football League, Management Council, Club and NFLPA from relieving particular contractual obligations. It would be the equivalent of slavery or involuntary servitude to relieve particular class of persons called “National Football League, Management Council, Club and NFLPA” of their contractual obligations at the expense of the Junior Galette.

Please take notice that this Affiant and another (Former and Present National Football League Players and Staff) are ready, willing and able to testify to the same overt breach.

Please take notice that this case will not be heard by Legislative Tribunal but rather a Grand Jury in accordance to all constitutions (bills and declarations of rights) listed and act stated above.

Please take further notice this document is a Contract. If you fail to account for and settle this matter, then you agree that you are knowingly aiding and abetting in **MALADMINISTRATION**.

Furthermore, if you believe you have authority to ignore my rights protected by constitutions and acts states above then respond with proof of those authority, by Affidavit, sworn to under penalty of perjury, within 30 days or you agreed \$5000 per day for every day that you shall not have settled this matter at cost listed below:

I am demanding National Football League, Management Council, Club and NFLPA to pay (**ORDER TO JUNIOR GALETTE**) **compensatory damages** VIOLATION OF MY RIGHTS PROTECTED BY constitutions and acts states above in the amount of \$100,000,000.00.

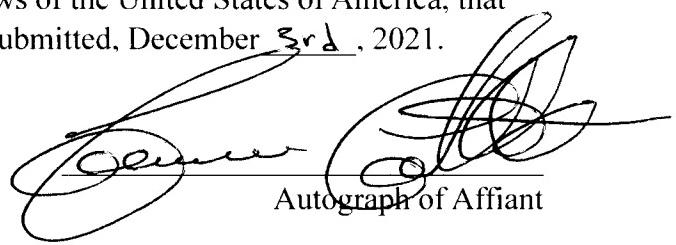

PUNITIVE DAMAGES AND TREBLE DAMAGES to be awarded to Junior Galette in the amount of \$100,000,000.00 times 3 (total 300,000,000.00) for breach of contract **ARTICLE 49 PLAYER SECURITY Section 1. No Discrimination “NATIONAL FOOTBALL LEAGUE, COLLECTIVE BARGAIN AGREEMENT”**, whereas I Junior Galette currently suffered from the following as of result of National Football League, Management Council, Club and NFLPA **MALADMINISTRATION (trespass “breach of trust” upon my rights protected by but not limited to all constitutions and act listed in this affidavit by notice)**:

pain and suffering, harassment, emotional distress “**tortious interference**”, unjustified grief, fright, unconsciousness, nervousness, grief, anxiety, worry, mortification, shock, public and private humiliation, indignity, embarrassment, apprehension, terror, disfigurement and deformity, impairment of ability to work, mental and physical stress, unimaginable extreme lost of life, liberties and pursuit to happiness and emotional distress.

Furthermore, Affiant reserves the right to take this Contract before any Grand Jury (in accordance to all constitution’s “BILL AND DECLARATION OF RIGHTS” and act stated above) and you agree to be bound by the terms of this Contract. Your failure to respond by the agreed time, shall bind you by any Grand Jury “of my peers” Award and all courts, barred from rehearing this matter, must accept the law of this Contract. Courts of equity will not tolerate any interference with their officers, process or decrees, by the court of law.

Whereas, the National Football League, Management Council, Club and NFLPA have violated **my life, liberties and pursuit to happiness** by taken away my ability (**tortious interference**) to provide for my children and myself, the National Football League, Management Council, Club and NFLPA have taken away time, life, liberties and happiness on the field and I can never get back therefore I ought to be made whole by the settlement stated above.

I declare, under penalty of perjury, under the laws of the United States of America, that the foregoing is true and correct. Respectfully submitted, December 3rd, 2021.

AFFIDAVIT DENY CONSENT TO THIS ADMINISTRATIVE COURT

The Administrative Procedure Act procedures (APA), Public Law 79-404, 60 Stat. 237.

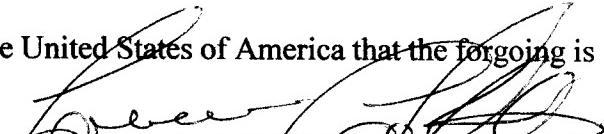

(1). According to the APA of 1946 this court is not a real court of law established by Article III of the Constitution of the United States of America, it conducts trial like proceedings in which, Junior Galette don't agree to being a part of.

(2). The APA requires that to set aside agency actions that are not subject to formal trial-like procedures the court must conclude that the regulation is "arbitrary and capricious, an abuse of discretion, or otherwise not in accordance with the law."

(3). In contrast, the court tend to look harder at decisions resulting from trial-like procedures because they resemble actual trial-court procedures, but Article III of the constitution reserves the judicial powers for actual courts. Accordingly, courts are strict under the substantial evidence standard when agencies acts like courts because being strict gives courts the final say, preventing agencies from using too much judicial power in violation of separation of powers.

(4). In conclusion, Junior Galette will not participate (**COURTS NOT OF RECORD**) courts not of record are those of inferior dignity, which have no power to fine or imprison, and in which the proceedings are not enrolled or recorded a administrative proceedings (UNCONSTITUTIONAL), rather (**COURTS OF RECORD**), I Junior Galette only agree to **Article III of the Constitution of the United States of America, judicial proceedings are enrolled, or recorded, for a perpetual memory and testimony, and which have power to fine or imprison for contempt. Error lies to their judgments, and they generally possess a seal.**
